

The Essence of Ballet - A Folk Tale 4 (100x100)

Price: €2,200.00

Product Summary

I followed The Royal Danish Ballet closely over a period of two years. I got under the skin of the dancers; their challenges, their victories, the stories they so passionately tell with their bodies, and the secret adventures that happens behind the curtain. I got a deep understanding of the world of ballet and the classic tales the dancers unfold. All of that resulted in the art project *The Essence of Ballet*.
