

The Essence of Ballet - Lady of the Camellias 5 (60x80)

Price: €2,000.00

Product Summary

I followed The Royal Danish Ballet closely over a period of two years. I was very fascinated with the dancers; their challenges, their victories, the stories they tell so passionately with their bodies, and the secret adventures that happens behind the curtain. I got a deep understanding of the world of ballet and the classic tales the dancers unfold. All of that resulted in the art project *The Essence of Ballet*. Read more [here](#).
